_____ home, I'm coming home, tell the world that I'm coming home, let the rain wash away all the pain of yesterday, I know my kingdom awaits and they've forgiven my mistakes, I'm coming home, I'm coming home, tell the world that I'm coming.....

I'm back where I belong, yeah I never felt so strong, I feel like there's nothing that I can't try, and if your with me put your hands high,

If you ever lost a light before, this ones for you and you, the dreams are for you

I hear The Tears of a Clown, I hate that song, I always feel like they talking to me when it comes on, another day another dawn, another Keisha, nice to meet ya, get the math I'm gone, what am I 'posed to do when the club lights come on, it's easy to be Puff, but it's harder to be Sean, what if the twins ask why I ain't marry their mom, How do I respond?, what if my son stares with a face like my own, and says he wants to be like me when he's grown, but I ain't finished growing, another day another dawn, Just tell Teneka and Teresha i'll be better in the morn' another lie that I carry on, I need to get back to place where I belong!
