# Mark and Michael's Future

Mark and Michael are very Adjective brothers. They each have exciting adventures awaiting. Michael will embark to Cal Poly and there has never been a more Adjective and rowdy incoming freshman. Hopefully Michael's stunning Part of Body and charm with the Noun - Plural will not distract him from studying and Verb - Present ends in ING. He'll probably graduate in Number years with a degree in School Subject. Mark is Verb - Present ends in ING at Cisco starting July 22. He will have many projects and Adverb Verb - Base Form each one. Mark will pay all his own bills and can't come Verb - Present ends in ING home to Noun anymore. Since he will be making his own Noun now he can buy plenty of clothes and maybe a new Noun. Who knows where they will be in 10 Noun - Plural, maybe they'll own a business together in Location, or maybe they will be Verb - Present ends in ING Noun - Plural in Kenya.
