What a crazy day

Wow. I hope a day like this never happens again. It started off by me waking up late. I rushed to get ready but on my way to the front door I fell down ______ flights of steps. I hit my ______ but continued my journey to school. By the time I got there the <u>Adjective</u> principal saw me and gave me a ______ detention. For a whole _______ at that! It was unbelievable. When I got to class, the one with my worst teacher at that, she put me in the worst group ever. It was with the most popular girl in the 12th grade, _______ and her boyfriend, _______. She wasn't the brightest of them. Well she wasn't bright at all. Oh, and did I mention her boyfriend has been my crush for <u>Number</u> years? Yeah, it seriously my bad day. They kept making out in front of me. leaving all the questions to me. But that's not the worst part. She spilled her fruit soda on me and my white pants. Guess who was the joke for the rest of the day because of the stain on her pants. yeah me. After <u>______</u> agonizing more <u>______</u> of school I got to go home. But I had to walk because I missed the bus. And guess what, it started to rain. not sprinkle but rain, pouring down. When I arrived home my mom saw what a mess I had made from this morning and grounded me for a <u>period of time</u>. People say everything happens for a reason...I wonder what good could come from this day.
