The Vikram Madlib

_____Something we are currently doing_____. We should _____something completely not worth the time or resources instead because some made up reason, but really meaning "because I said so"_____ and it will buy us _____some made up value, but really meaning "absolutely nothing"_____. _____Someone not named Vikram_____ should implement this because it's really easy (*in head* I have no idea the effort this will take, but it will take some effort, therefor I do not wish to partake)
