Tommy: Hey Tony! Long time no see.

Tony: Right! How have you been?

Tommy: I've been good. How was your Noun?

Tony: It was ok. I'm glad to finally be on Noun again.

Tommy: Well I'm sure you are Adjective. Do you want to get something to eat?

Tony: Yes, I'm starving. How about Verb - Present ends in ING some cheese food?

Tommy: You'd better not eat food after flying. It is not good for your Part of Body.

Tony: Ok. How about some Sushi?

Tommy: Sushi sounds good. Let's go!
