Storytime was one of my favorite lessons to do with the kids. They _____Adjective_____ got into character and made awesome props. Also, if you love your overburdened co-teacher as I do, it can be a great way to say thanks for his/her support by letting them do that lesson on his/her solo days _____Adjective_____ taking on more traditional and cultural lessons in the chapter for yours.

So, whether you use it yourself or lend it to _____Adjective_____ co-teacher, here's a PPT for "YBM Si-sa - Lesson 6 Storytime - Sonogong and Samjang". In some of these PPTs, you'll notice animation and or sound effects added depending on the version of Powerpoint you're using.
