# Edward Snowden Letter

One week ago I left Hong Kong after it became clear that my _____Noun_____ and safety were under threat for revealing the truth. My continued _____Noun_____ has been owed to the efforts of _____Noun_____ new and old, family, and others who I have never met and probably never will. I trusted them with my _____Noun_____ and they returned that trust with a _____Noun_____ in me for which I will always be thankful.

On Thursday, President Obama declared before the _____Noun_____ that he would not permit any diplomatic " wheeling and dealing" over my _____Noun_____. Yet now it is being reported that after promising not to do so, the President ordered his Vice President to pressure the leaders of _____Noun - Plural_____ from which I have requested protection to deny my asylum _____Noun - Plural_____.

This kind of deception from a world leader is not _____Noun_____, and neither is the extralegal penalty of _____Noun_____. These are the old, bad tools of political _____Noun_____. Their purpose is to frighten, not me, but those who would come after me.

For decades the United States of America has been one of the strongest defenders of the human right to seek asylum. Sadly, this right, laid out and voted for by the U.S. in Article 14 of the Universal Declaration of Human Rights, is now being rejected by the current government of my country. The Obama _____Noun_____ has now adopted the strategy of using citizenship as a _____Noun_____. Although I am convicted of nothing, it has unilaterally

revoked my _____Noun_____, leaving me a stateless person. Without any judicial order, the administration now seeks to stop me exercising a basic right. A right that belongs to everybody. The right to seek _____Noun_____.

In the end the Obama administration is not afraid of _____Noun - Plural_____ like me, Bradley Manning or Thomas Drake. We are stateless, imprisoned, or powerless. No, the Obama _____Noun_____ is afraid of you. It is afraid of an informed, angry public demanding the constitutional _____Noun_____ it was promised -- and it should be.

I am unbowed in my convictions and impressed at the _____Noun - Plural_____ taken by so many.
