Vinyl was ________ for 119 years. It was in for ________. Then it was out. Although everyone was into the _________, vinyl people wondered why. Someone even said The _________ building blocks of the universe are fire, water, gravel and vinyl. But now it's back and the _________ is out. Quentin Tarantino said I'm a ________ collector of vinyl - I have a record room in my house - and I've always had a _________ soundtrack album collection. So what I do, as I'm writing a movie, is go through all those songs, trying to find _________ songs for fights, or _________ pieces of music to layer into the film
