On the way there I met \_\_\_\_\_ Proper Noun on the \_\_\_\_\_ Noun. I was so \_\_\_\_\_ Adjective that when I went up to talk to her all I could say was, "Hi." She was really \_\_\_\_\_ Adverb and started up a \_\_\_\_\_ Adjective conversation. It turns out that she was looking for backup \_\_\_\_\_ Verb - Present ends in S \_\_\_\_\_ and asked me if I could help her out. So while I did end up \_\_\_\_\_ Verb - Present ends in ING some \_\_\_\_\_ Noun, I also got a gig \_\_\_\_\_ Verb - Present ends in ING with \_\_\_\_\_ Proper Noun !
