Love and Excuses

You are my Adjective love. You have me completely in your Noun - Plural. I know and feel that if

I am to Verb - Base Form anything fine and noble in the future I shall do so only by Verb - Present ends

in ING at the Noun - Plural of your heart. I would like to go through life Part of Body by with

you, Verb - Present ends in ING you more and more until we Verb - Past Tense to be Number

being(s) together until the hour should come for us to Verb - Base Form.

You know I feel this Powerful Feeling. How can I not? But you must know that Full Name of a Person

kept me from basking with you in the warm Davis sun. It was not of my own volition. When Noun - Plural

Verb - Base Form for days and the Feeling Verb - Present ends in S excruciatingly, there is little

choice but to Verb - Base Form. THAT is why I could not come. But I will love you now and henceforth

until the ending of the Event.
