SUMMERTIME at LARAWAY

It's finally summertime in Vermont and there's so much going on at Laraway! This summer, we have 5 teams:

the _____
Adjective Noun - Plural

, the _____
Adjective Noun - Plural, the _____
Adjective

Noun - Plural

, the _____
Noun - Plural, and the _____
Noun - Plural. We're all located in the same _____
a container and it gets kind of _____
Adjective sometimes.

It's awesome this year, because they just finished building the new _____
game

 court, and now we can go out and play a _____
Adjective game of _____
game above when we need a break from _____
class subject. The court is _____
Adjective and it's really easy to score a lot of points, especially if _____
name of person and _____
name of person and _____
name of person are on your team.

There's always _____
Adjective

 stuff to do off-campus too. Sometimes we _____
Verb - Base Form

Noun - Plural

 or _____
Verb - Base Form at the _____
Verb - Present ends in ING park. Often we go _____
Verb - Present ends in ING on a _____
Adjective path in the woods looking for _____
Adjective

Noun - Plural

 for _____
unit of time plural on end. Once, we found a whole _____
a container of _____
Noun - Plural. We collected them and tried to make _____
Noun-plural A out of them. Our first attempt failed, because they looked more like _____
Adjective _____
Noun - Plural than _____
Noun-plural A. But then we modified the _____
Noun - Plural and used some _____
Noun - Plural that _____
name of person in room had in his/her pocket, and the result was altogether _____
Adjective. Who would have thought that making _____
Noun-plural A

could be so much fun!

Another thing we like to do is go Verb-ending in ING A. Every day after class subject class, we put our Noun - Plural away, gather our Noun - Plural and Noun - Plural, fill out an off-site form, and take off. We have to take a school sports car, because the place is about number miles away, which usually takes us about number unit of time plural to get to. Most of us have to bring our Noun - Plural along, because they're generally helpful, but name of person in room is so good at Verb-ending in ING A, that he/she doesn't need any. We always bring along a few spares though--just in case.

A lot of times our sports car is so full of Noun - Plural, that a few of us, like name of person in room and name of person in room and name of person in room have to ride behind on our non-motorized vehicle pl. That's when our liquid bottles really come in handy! We take turns riding, so that we're not too tired to Verb A above when we get to a place.

Unfortunately, when it weather event A plural too much, we can't go and we have to adopt our weather event A ending in y day plan. This usually includes Verb - Present ends in ING some Noun - Plural and sometimes even Verb - Present ends in ING a little Noun, but like I say, that's not too often, only when it weather event A plural.
