Marshy

At night, there was the _____ Noun that we had _____ Verb - Base Form _____ Noun, feeling no longer
_____ Adjective, waking in the night to find the other one there, and not gone away; all other things were unreal
. We slept when we were tired and if we woke the other one woke too so one was not alone. Often a man wishes
to be alone and a woman wishes to be alone too and if they love each other they are jealous of that in each other,
but I can truly say we never felt that. We could feel alone when we were together, alone against the others. We
were never lonely and never afraid when we were together.
