McDuff Needs Help

One Saturday, McDuff woke up ready for an adventure. He had been stuck in _____ Noun all week and wanted to _____ Verb - Base Form. So he _____ Verb - Base Form down his breakfast and headed out the _____ Noun. The first place he went was his friend Anthony's house. Anthony was a miniature _____ Animal who had even more energy than McDuff. But when he went to see Anthony all the _____ Noun - Plural were off at his house. "He must be away" McDuff thought to himself. So he tried visiting his friend Claire instead. But when he got there Claire's mom told McDuff that Claire had become sick with the _____ Illness. "How _____ Adjective" said McDuff. Even more _____ Adjective was that McDuff had no one to play with. Instead of being _____ Adjective McDuff decided to have an adventure by himself. So he went over to the _____ Noun. Usually his family didn't like McDuff to be there unless he had a _____ Noun, but he didn't have one. So McDuff started playing on his own. The next thing he knew his collar fell off into the water! Even worse was when McDuff reached in to grab it his _____ Part of Body became soaking wet. His collar began to float farther and farther down the creek. "I'll never get it back now" groaned McDuff _____ Adverb. "Can I help?" came a small voice. "Who said that?" asked a scared McDuff. "Me, up here in the _____ Noun!". Sure enough McDuff looked up and saw a small _____ Animal in the tree. "With my fast _____ Part of Body I'll be able to scoop up your collar no problem! My name is Sheila by the way." Before McDuff could say his name Sheila was already in the water grabbing the collar. "Thanks a _____ Number" said McDuff. "What can I do to repay you?" "Do you want to _____ Verb - Base Form with me?" asked Sheila. "Of course, I would be my _____ Noun!". So McDuff and Sheila went on playing in the creek, and McDuff finally got

an adventure.
