I cannot believe her. Who does she think she is? I hope she \_\_\_\_\_ off a \_\_\_\_\_ and  
\_\_\_\_\_ to her \_\_\_\_\_. If she wants her \_\_\_\_\_ back from me now, she'll be in  
for a real \_\_\_\_\_. I mean really, she stole my \_\_\_\_\_! How does she plan on \_\_\_\_\_  
\_\_\_\_\_ this one off? All she does is \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_  
while she \_\_\_\_\_ her \_\_\_\_\_. But I've got something that'll \_\_\_\_\_  
her >:). Oh, she'll be sorry when she sees this big \_\_\_\_\_! Haha, she hates those. With a burning passion.  
But, she does like \_\_\_\_\_! And I don't blame her, who wouldn't? \_\_\_\_\_ are so  
\_\_\_\_\_! But, they're not very big in \_\_\_\_\_. Anyways back to the point, if she ever steps  
\_\_\_\_\_ in here again, I'll \_\_\_\_\_ her like a \_\_\_\_\_.
