Dear	First Name of a Person	

The night before we Verb - Past Tense I had directed considerable Noun
towards imagining the latitudes of your Part of Body That language
can suggest a body (and what this suggests about what a body
contains). I had wondered if relationships, like Noun-Plural, take
form before they are written down - and, if so, what this might mean
for navigating the infinite radius of our celestial sphere. It wasn't
until you hocked a loogie on the beside us that your body
stopped flickering and I looked to see if my fingertips refracted
I did not wish my circling of your beauty to become an occasion
to hang our clothes on. Though I to dissolve your cadence into
unclad yawps, somewhere between my new-found gallantry and a cellular
reverence for your voice I lost my nerve. Or found it, alongside a
reformed desire to verb - Base Form on the before I eat the I left
