A Birthday Surprise!

Anna awoke slowly and sleepily the eve of her 20th Birthday. It was a long awaited day as she always enjoyed

the comfort of the love of her family and friends on her warm August day. She untangled her _____ Noun

-Like hair from her gifted _____ Noun and awoke to find her room filled with _____ Noun - Plural,

_____ Noun - Plural and _____ Noun - Plural ...Wait! Repeat Last Noun - Plural ! No, not Repeat Last Noun , pictures

of Repeat Last Noun - Plural yes, meows and other Repeat Last Noun - Plural evoking words and phrases. She laughed

recalling her fun yet less intense Repeat Last Noun - Plural attack on her friend Amber. She made her way through

the _____ Noun - Plural and went into the bathroom to put on her some _____ Noun to look extra nice for Kurt

later on. She left early for her discounted birthday Starbucks filling her new purple _____ Noun. She had

planed on spending most of the day with her mom. They were both unique and _____ Adjective and were going

to do some creative DIY projects. While she waited for her mom to get ready which she knew might take a while

so she grabbed a new _____ Noun to enjoy. She and her mom ended making colorful _____ Noun most of

the morning. When the afternoon rolled around she was getting ready to spend her evening with her long time

boyfriend Kurt. As she was preparing for her night she couldn't help but reflect on how happy she was, not just

on today, her birthday, but with her good and wonderful life. She thought on her lovely friends and very kind

boyfriend, a good man with a heart that was all hers, and all the dreams which had already come true and

couldn't help but think of a quote from her favorite Disney Princess of the _____ Proper Noun. She smiled full of

pure joy and contentment and watched Kurt enter the family home. Her parents and Kurt treated her like the

most beloved Princess with gifts, and smiles and hugs of warmth, and thought birthday _____ Noun - Plural.

When

it came time for cake, candles, and wishes; the awkward, yet cute offkey singing ended.

"Make a Wish!" Her Dad exclaimed excitedly.

She smiled the most bliss filled expression she'd ever held, thinking to herself

"My wish is that I remember the love in this moment and that each person in my life knows how loved and important they are." She closed her eyes for a pause, then opened them again blowing out the glittering halos above her beatiful cake. She knew truly in that moment what it felt like to know you are loved.
