One day I was walking down the street and got hit with a <u>Noun</u>...So, i had to go to the emergency room. I don't know why but the emergency room was on a <u>Noun</u>. <u>Noun</u>. Then I had to <u>Adjective</u> so i went to the bathroom, it turns out i walked right into the boys locker room. One guy was taking a shower,one guy was changing, and one guy was going to the bathroom and there was no doors. And i'm a girl. Yuck! Once i got out I just decided to wet myself. So i did and if someone asked why was my <u>Part of Body</u> wet I would say I spilled my <u>Noun</u>. The next day I realized it was all a dream. But some how my <u>some body part</u> was still wet.
