mind and State of being . What kind of activities do you enjoy I like to Acivity ,

 Acivity and Acivity . What kinds of foods do you Emotive action ie love hate ? If I asked
you to Beverage of choice , would you accept? How soon after Beverage of choice would we be
 Relationship status ?

I see that you would like to have a couple kids of your own. I have Number kids and would love
 Number more. I think that family is very Adjective and I love to just stay at Location and
be with my family member or go out Verb - Present ends in ING together. I like playing Noun -
Plural and would not be verb ending in ed to letting you win once in awhile. I am quite Adjective
, but in a Adjective , adjective beginning with non sort of way.

On a scale of 1-10 how would you rank yourself Adjective ending in ly ? If I told you I verb ending in ed
twice a day, would you think I was a little psychological state ie crazy or obsessed ? I hope to One of the five
senses from you Adjective ending descibing time . One of the fruits of the Spirit and good better or best

 Location someday. Do you believe in Emotive noun at first One of the five senses ?
