| 2. | Adjective |
| 3. | Adverb    |
| 4. | Adjective |

## vbfd

| Hi I'm just writing | Noun to see       | if this <u>Adjective</u> | work. I hope it does. I might | Adverb | to |
|---------------------|-------------------|--------------------------|-------------------------------|--------|----|
| make some more word | s so that this is | Adjective .              |                               |        |    |
|                     |                   |                          |                               |        |    |
|                     |                   |                          |                               |        |    |
