review

SO we start out with (_____*First Name of a Person*_____)____ handcuffed to a (_____*Noun*_____)____ in a (_____*Noun*_____)_____
_____*Noun*_____)_____. This is part of the ____(<_____*Noun*_____)_____. (_____*Pronoun*_____)____ is waiting for her ____(
_____*Noun*_____)____ and instead gets(_____*First Name of a Person*_____)____ her ____(<_____*Noun*_____)____. In this exchange
between her and ____(<_____*First Name of a Person*_____)____ we find out how ____(<_____*Pronoun*_____)____ unusual ____(
_____*Noun*_____)____ (started).

And so the ____(<_____*Noun*_____)____ ends and ____(<_____*First Name of a Person*_____)____ wakes to find that ____*Pronoun*____ is
still ____*transitive verb*____ up. Typical but again this is not in the fun way. ____*Pronoun*____ hears a ____(
_____*First Name of a Person*_____)____ (<_____*Noun*_____)____. ____*Pronoun*____ always makes an effort to ____(
_____*transitive verb*_____)____ those. ____*Pronoun*____ wanted to stay in ____(<_____*Noun*_____)____ because it was there she
was ____(<_____*Adjective*_____)____

with a ____(<_____*Number*_____)____ ____*Adjective*____ ____(<_____*First Name of a Person*_____)____

NOW lets talk a bit about ____*First Name of a Person*____ and ____*First Name of a Person*____ as you can imagine
____*Adjective*____ are well very ____(<_____*Adjective*_____)____ over ____(<_____*First Name of a Person*_____)____ being ____(
_____*transitive verb*_____)____ Especially since ____(<_____*Adjective*_____)____ know that ____(<_____*First Name of a Person*_____)____ Laure) is
not ____(<_____*Adjective*_____)____ and is the ____(<_____*Noun*_____)____ of the whole thing! AND to top it off both of them are (
____*Adjective*_____)____ at least in ____(<_____*Pronoun*_____)____ ____*Noun*_____)_____. they also ____*Adjective*____ know that
(_____*Pronoun*_____)____ does not grasp what their ____(<_____*Noun*_____)____ is about. So here we have these (
____*Adjective*____)

) Noun feeling all (Adjective) and (Noun Adjective)

and then we add to the Noun a mess of other Noun that care about First Name of a Person.

and then they go on a (Noun) to (First Name of a Person Noun) because it is close to (

First Name of a Person Noun Noun) where (First Name of a Person) is being (

Verb - Past Tense Adjective) NOT ONLY do we have a Noun of (Noun) here we

have intransitive verb Noun that are all Adjective to come to Noun with (

First Name of a Person transitive verb) Conjunction Pronoun (Noun - Plural) on

just about everything

just when Pronoun the Noun intransitive verb Noun are Noun to either

transitive verb into a (Noun Noun) or an (Noun) we have yet another (

Noun transitive verb) thrown at us

this Noun has everything it has (Noun) it has (transitive verb) it has (Adjective)

and best of all it ends on a (intransitive verb)
