# DragonCraft

Once upon a time in the far off land of \_\_\_\_\_ Location there lived a happy flying \_\_\_\_\_ Same Animal who

loved adventure. She loved flying through the worlds of beautiful blocks looking at others amazing creations.

\_\_\_\_\_ Adjective castles, \_\_\_\_\_ Adjective sailing vessels and mass tracts of farming land were just some of the

worlds she spent her time exploring. One day, she decided to play the game for survival and go on a

\_\_\_\_\_ Adjective adventure!

Indeed, she had done so much sightseeing that she was good at navigations; but, she seriously lacked other

necessary survival skills. After a few attempts at the game, she failed miserably and got really discouraged. Her

friend, the minion, challenged her to attend a survival training camp. She \_\_\_\_\_ Adjective accepted her friends

challenge and enlisted the help of her \_\_\_\_\_ a parent or guardian to help with her daily practice.

The happy flying \_\_\_\_\_ Same Animal attended training sessions on everything from fire breathing to strategic

maneuvering. She met a super helpful training guard who protected the knowledge and guided her to the right

training sessions.

Wow did her time at survival training camp pay off. In no time at all, she was slaying \_\_\_\_\_ Creature, growing

her own \_\_\_\_\_ Noun and even conquering the famed \_\_\_\_\_ Noun - Plural.

Moral

to the story: When you get start playing the game of English B, come to Training Camp (Class Connects, Composition Conferences and Study \_\_\_\_\_ Event) where you can attend skill building sessions that will help you master the game of English B!
