A English B Fable

Once upon a time in the far off land of my _____Location_____ was the game of _____Animal_____ Craft there lived a happy _____Verb - Present ends in ING_____ _____same animal as before_____ who loved adventure. She loved _____Verb - Present ends in ING_____ through the worlds of beautiful blocks looking at others amazing creations. _____Adjective_____ castles, _____Adjective_____ sailing vessels and mass tracts of farming land were just some of the worlds she spent her time exploring. One day, she decided to play the game for survival and go on a real adventure!

Indeed, she had done so much sightseeing that she was good at navigations; but, she seriously lacked other necessary survival skills. After a few attempts at the game, she failed miserably and got really discouraged. Her friend, the minion, challenged her to attend a survival training camp. She _____Adjective_____ accepted her friends challenge and enlisted the help of her _____a parent or guardian_____ to help with her daily practice.

The happy flying _____same animal as before_____ attended training sessions on everything from fire breathing to strategic maneuvering. She met a super helpful training guard who protected the knowledge and guided her to the right training sessions.

Wow did her time at survival training camp pay off. In no time at all, she was slaying creatures, growing her own _____Noun - Plural_____ and even conquering the famed _____Noun - Plural_____.
