PAUSE
For a moment let yourselfFor a moment be aware of how relaxed your
Part of Body and Part of Body feel right nowRemind yourself that you can create these feelings
on your own during your daily activities.
Remember that periodically during any day you may scan your body, discover any tension you are holding and
then inhale relaxation and exhale the tension and tightness. Come back to this place as often as you like or create
your own getaway. Relax - renew - recharge your mind and body.
