Battle of Britain

1. _____

Battle of Britain

Recent conflicts between the Scottish and English have threatened to further the flames of a deadly civil war. Only last week, the Queen's home of Buckingham had suffered a at the hands of a rowdy Scottish . It was a dagger through the of many, who felt the war had now gone on too long.

Anarchy descended onto the streets of Britain after the Queen was mauled and killed in her home by a pack of who were deliberately let in by the to crown jewels.

The aftermath was dominated by tabloid headlines which made for interesting : Is the to the throne ready to take over? Will the Queen remain the face of the pound ? The Queen be turning in her grave!

Ultimately, it was all too much for the people of Britain. Some headed for the to set sail for the whilst others continued to their head in the sand.
