# My time at the ECSC

Having just completed my \_\_\_\_\_ Adjective year of legal education, \_\_\_\_\_ Pronoun was quite confident that I understood the workings of the region's judiciary. However as this \_\_\_\_\_ Noun comes to a close, I must agree at the risk of sounding clichéd, that experience is indeed the greatest teacher. My favourite part of this programme is that not only were we \_\_\_\_\_ Verb - Past Tense in legal research but we were invited to 'dip our hands in all the pots' so to speak and were actively involved in various aspects of the Court's functions.

Perhaps the greatest \_\_\_\_\_ Preposition or subordinating conjunction during my tenure at the \_\_\_\_\_ Proper Noun was the warmth, dedication and accessibility of the staff. Upon arrival we immediately felt like part of the ECSC 'family'. The Justices of Appeal, the Registrars, everyone treated us with the utmost professionalism and sincerity. We were even adopted by Team Integrity in the staff debates and were taken by various staff members to attractions such as the Sulphur Springs, Anse la Raye and even on a hike to the top of the Gros Piton.
