## **Back to School**

day of the week was the last day of summer and I couldn't wait to see all my Adjective friends again . Most of them I haven't even talked to for the whole \_\_\_\_\_ months! I gathered my \_\_\_\_\_ Noun - Plural and placed them neatly in my new \_\_\_\_\_\_bag and brought extra \_\_\_\_\_\_just in case. I wore my new \_\_\_\_\_\_ color \_\_\_\_\_ plural clothing \_\_\_\_\_ with \_\_\_\_\_ material type - metal - wool - carpet etc \_\_\_\_\_\_ jeans and a <u>color</u> button-down <u>single piece of clothing</u> which is the going trend these days, I looked Adjective ! When I got to \_\_\_\_\_\_random place \_\_\_\_, I saw the "\_\_\_\_\_Adjective \_\_\_\_\_" group looking totally Adjective , hanging out by their transportation plural and transportation plural as usual. Then there are the "dorks of Saint \_\_\_\_\_\_ast name - plural \_\_\_\_ " as they're called because they only hang out together and basically have no <u>Noun - Plural</u>. There is also a group of <u>girls or boys</u> who are always seen sitting by the <u>Noun - Plural</u> and only wear <u>color</u> including <u>same color as last</u> make-up, they never \_\_\_\_\_\_! The jocks are friendly but they are also \_\_\_\_\_\_Adjective \_\_\_\_\_ and usually stick to throwing Noun - Plural in the air and running up and down \_\_\_\_\_\_plural thing of nature - leaves mountains hills etc \_\_\_\_\_. The teachers this year are very <u>Adjective</u>, Mr. word that rhymes with gooner got <u>Adjective</u> and is sporting a new "\_\_\_\_\_vegetable cut " with his hair which used to be long, past his \_\_\_\_\_plural body part \_\_\_\_\_school subject teacher Mrs. Noun got a single body part job which makes her face verb . Allin-all it's going to be a Adjective year because I got all my classes, I sit next to my crush nickname of someone who gives me that <u>Adjective</u> look with his <u>plural body part</u> where he team which is exciting! Hope you have a \_\_\_\_\_\_ back-to-school year too!
