# Advice for the Little Bun

Enjoy the next           Noun           before the baby arrives. Your life will never be           Adjective           again! In order to prepare for delivery, Tim should rub Cathy's           Part of Body                     Number           times a day. My prediction? I think your baby will be born           Date           and have Cathy's           Part of Body           and Tim's           Part of Body          . My best advice? Always           Verb - Base Form           the baby's           Part of Body          , and never           Adjective           the baby's           Part of Body          . To calm your baby, sing           Song Title          . Be prepared: Your baby will           Verb - Base Form           and           Verb - Base Form                     Number           times a day, so make sure to           Verb - Base Form           and           Verb - Base Form          . Always carry           Noun           in your diaper bag in case of           An Occasion          . I am so           Adjective           that Cathy and Tim are having a baby! You will be the           Exclamation           parent's ever!
