Dear Brother

Dear brother First name of a boy,

How are you doing? I am having a Adjective time in college! Our mascot is the Animal. I

slammed my Part of Body in a door yesterday though and I said funny word! Oh, well. I think my

roomate is Adjective. He always Verb - Present ends in S. He likes eating chicken. He is obsessed with

singer. His favorite song by her is song title from that singer. I have school subject first hour.

My teacher is Mr. funny last name. He is Adjective, Adjective and Adjective. He is a

Adjective teacher. I better get going. My roomate boy name just fell down the stairs. He's always

so Adjective. He did that last week, too.

Love you!
