# First Day

There's this new kid in class named Male Name who I think has real relationship potential. On the first day of school, he acted really Adjective around me. He leaned across the isle and Verb - Past Tense me a Noun. He told me that my hair looked Adjective Conjunction Action Verb me. Interjection! Adverb, my friend told me that his facebook status says "Preposition a relationship." I hope that by October he will be single so that we can go to Homecoming together. Pronoun just need to make sure that my dirty friend Female Name doesn't get her hands on him before I do.
