Day at the USO

How important is our? Enough that we are all enough to lea	ad these lives of
asking people to allocate some of their hard earned capital for a sense of personal satisfaction	n of making things
Adverb - Comparative You have chosen to make a in the world - to impro	ove the lives of those
we support will hang up on you, they will promise to give and then wor	n't. They will also
and surprise you. You will yourself on so many things, be the	Adjective to
know, and burnout will happen, but you will
