Wild Night

Where the heck have you been? You look Adjective positively Adjective. How did you get that
Noun on your Body part? What is that smell? It smells like Adjective Plural noun.
Oh, and Number dudes came to the door asking for you. They said that they had a Adjective time
and are looking forward to the pool party tonight. Is that a Animal in the Room in house? I hope
you have good insurance, and a Professional you'll need both.
