# The Gold Fish Queen

There once was a Noun named Maddy who was obsessed with Verb - Present Tense Noun.

She had such a bad problem that her Noun - Plural took her to a Adjective Noun therapist.

The Noun could not help in any way. The obsession had already progressed so much. Her room was all

Noun and she had a secret stash of Number, Number boxes in her closet. She even had

Noun - Plural that had the theme of goldfish. Eventually she went to rehab and tried to fix her

Adjective obsession. The End.
