# New York City

One day a few \_\_\_\_\_ Noun - Plural \_\_\_\_\_ ago, my parents decided that I could finally visit New York City all by myself, but of course I would be staying at a \_\_\_\_\_ Noun - Plural \_\_\_\_\_ house while there. I was so excited to see my \_\_\_\_\_ Noun - Plural \_\_\_\_\_ but even more anxious to see the Big Apple! My parents dropped me off at their house \_\_\_\_\_ Coordinating conjunction \_\_\_\_\_ there, my adventure began. It was impossible to choose what to do first but we decided on a shopping spree at the mall which was amazing because there were never such big malls where I lived in \_\_\_\_\_ Proper Noun \_\_\_\_\_. Then, we took a nice \_\_\_\_\_ Noun \_\_\_\_\_ \_\_\_\_\_ Preposition or subordinating conjunction \_\_\_\_\_ Central Park and visited the Art Museum on our way. There were a million other things I wanted to do but there's just so much that you can do in a day. By the end of the day, I had seen so many \_\_\_\_\_ Adjective \_\_\_\_\_ things and, I couldn't wait for the next day to come.
