A True Story

Once upon a time, there were two kids, _____Character_____ and _____Character_____, who decided to go on a walk through the _____setting_____. They kissed their mother, _____Character_____, goodbye, then headed towards their usual path. About halfway down the path, they noticed a sign that pointed to a number of different places - _____setting_____, _____Setting two_____, _____setting_____, and _____setting_____! The kids flipped a coin and decided to take path number 2 to _____Setting two_____. But this was _____Setting two_____ like they had never seen it before! About five minutes down the path, they saw _____Character_____ talking to _____Character_____. What on Earth could they be talking about? Then, they passed by _____Character_____ washing some cars. The kids were starting to get a little freaked out, so the raced down the path faster, trying to figure out where the path would end. Pretty soon, _____Setting two_____ turned into _____setting_____ and then into _____setting_____. Finally, they saw someone wearing a black cloak, and they stopped to ask for directions. Turned out it was _____Character one_____! _____Character one_____ pointed them to the right direction, and before they knew it, they were back home. What a crazy day!
