47. Room Of House

# The Awkward Date

Tonight I'm going on a date with \_\_\_\_\_ guys name from my \_\_\_\_\_ school subject class. He has asked me out over \_\_\_\_\_ Number times and I always \_\_\_\_\_ verb plus ED him away. This time I thought I'd \_\_\_\_\_ verb for it, I mean why not, who is it \_\_\_\_\_ verb plus ING? \_\_\_\_\_ same guys name is one of those \_\_\_\_\_ Adjective kind of guys who gets straight \_\_\_\_\_ letter of the alphabet 's in every subject, he's kind of a \_\_\_\_\_ plural occupation - taxi drivers - nurses etc \_\_\_\_\_ Animal. It was \_\_\_\_\_ day of week night when I heard a \_\_\_\_\_ noise - churp crack thump etc at the door. It was \_\_\_\_\_ same guys name holding a bouquet of \_\_\_\_\_ Noun - Plural, he bowed and then handed one to me and said [" You look \_\_\_\_\_ Adjective my dear, shall we? "] I almost \_\_\_\_\_ verb plus ED from laughter but held it in the best I could. I took his \_\_\_\_\_ single body part and he \_\_\_\_\_ verb plus ED me to his \_\_\_\_\_ transportation. We drove to a restaurant that overlooked the \_\_\_\_\_ something outside - ocean hill moon etc. He ordered \_\_\_\_\_ plural food, \_\_\_\_\_ Animal fingers, \_\_\_\_\_ flavor - bacon vanilla etc gravy and a huge \_\_\_\_\_ Animal burger with \_\_\_\_\_ liquid. I just wanted a \_\_\_\_\_ single food item with a glass of \_\_\_\_\_ liquid, I guess he thought I was \_\_\_\_\_ Adjective but his outfit had me lose my appetite, \_\_\_\_\_ color plaid \_\_\_\_\_ plural clothing with a button-down \_\_\_\_\_ single piece of clothing tucked in and over-sized \_\_\_\_\_ plural clothing on ! After dinner he drove me home, we talked about why \_\_\_\_\_ Noun - Plural are so \_\_\_\_\_ Adjective, which was \_\_\_\_\_ Adjective, and then he walked me to my \_\_\_\_\_ Noun. He kissed me on the \_\_\_\_\_ single body part, out of all places! Then scratched his \_\_\_\_\_ single body part and said [" I had a \_\_\_\_\_ Adjective time, lets \_\_\_\_\_ verb again some time! "] I nodded my \_\_\_\_\_ single body part \_\_\_\_\_ yes or no, then quickly went inside. I felt \_\_\_\_\_ emotion seeing him again in school but we usually just say [" \_\_\_\_\_ greeting - yo howdy wussup etc !

"] when we verb into each other in the school room of house .
