"One Piece At A Time"

The first year they had me puttin' ______ on cadillacs

Every day I'd watch them ______ roll by

And sometimes I'd hang my ______ and cry

'Cause I always wanted me one that was long and <u>Color</u>.

One day I devised myself a ______

That should be the <u>Noun</u> of most any man

I'd Verb - Base Form it out of there in a Noun in my Part of Body

Now gettin' caught meant gettin' Verb - Past Tense

I'd have me a <u>Noun</u> worth at least <u>Number</u> grand.

[CHORUS]

I'd get it ______piece at a time

And it wouldn't cost me a ______

You'll know it's me when I come through your ________

I'm gonna <u>Verb c</u> around in style

I'm gonna drive everybody <u>adjective d</u>

'Cause I'll have the only one there is around.

So the very next ______ when I punched in

With my big ______ and with help from my friends

Now, I never considered myself a _______

But _____ wouldn't miss just one _____ piece

Especially if I strung it out over several <u>Period of time Plural</u>.

The first day I got me a fuel _______

And the next day I got me an engine and a ________

Then I got me a ______ and all of the chrome

The ______ things I could get in my big ______ Noun

Like

nuts, an' bolts, and all <u>Number</u> shocks

Now, up to now my plan went all right

'Til we tried to put it all together one night

And that's when we noticed that something was <u>Adverb</u> <u>Adjective</u>.

The <u>Noun</u> was a '53

And the motor turned out to be a '73

And when we tried to put in the bolts all the <u>Noun - Plural</u> were gone.

So we drilled it out so that it would fit

And with a little bit of help with an A-daptor kit

We had that engine <u>Verb - Present ends in ING</u> just like a song

Now the headlight' was another sight

We had two on the left and one on the right

But when we pulled out the <u>Noun</u> all <u>Number</u> of 'em come on.

The ______ end looked kinda funny too

But

we put it together and when we got thru		
Well, that's when we noticed that we only had one tail		
About that time my walked out		
And I could see in her Part of body Plural that she had her doubts		
But she opened the door and said "Honey, take me for a <u>Verb - Base Form</u> ."		
So we drove up town just to get the		
And I headed her right on down main drag		
I could hear everybody <u>Verb - Present ends in ING</u> for blocks around		
But up there at the court		
'Cause to type it up it took the whole staff		
And when they got through the title weighed <u>Number</u> <u>Unit of weight Plural</u> .		
[CHORUS]		
I got itpiece at a time		
And it didn't cost me a		
You'll know it's me when I come through your		
I'm gonna <u>Verb c</u> around in style		
I'm gonna drive everybody		

'Cause

I'll have the only one there is around.
