A Day at School

I knew it would be a Adjective day when I woke up sweating from a Adjective dream. I felt like I was still Verb - Present Tense and had Noun - Plural still Verb - Present Tense me. I got out of bed with a feeling like I wasn't Adverb. Well, I wasn't. My whole Noun was also up. Anyway, I Verb - Past Tense, got Verb - Past Participle and Verb - Past Participle my routine like Adjective. I went out to Verb the bus. While waiting, that Adjective feeling came again. I turned around and there they were. MORE Noun - Plural!! I started to Verb and Verb.
