they may even play in your Noun - Plural

they may play with your toys and pretend there chew Coordinating conjunction

or even pretend there fire hydrants

but when mom gets home

they love to

run run RUN

so when your mom comes home and decides to check on you

she comes to your room and sees a

mess mess MESS

she does not see you

but she thinks it was you

and never knows it was the dog

so

everyday she sees your room

and every day you say it was the dog did that

and every day the dog has to "run run RUN.
