A Strange Day at CCV

It was a strange day at CCV. As the students arrived they noticed that all of the _____ Noun - Plural had suddenly _____ Verb - Past Tense. The wind started _____ Verb - Present ends in ING and the doors _____ Adjective open and closed. The tutors in the academic fitness center started to cry out for help because the _____ Noun started _____ Adjective on and off! As more students _____ Verb - Present ends in S they noticed the _____ Noun started to darken and all became silent. What's happening?, they cried out in fear. Then out of nowhere the _____ Proper Noun appeared, and everything went back to _____ Adverb. All through the halls stunned students stared at each other. What happened they asked? The advisors just smiled at each other and _____ Adjective into the building. Was a dream or just another day at CCV?
