# The Creature from Space

I was all ready to start another fantastic day of online learning at K12! The excitement was palpable as I logged into my class connect session. I couldn't wait to see my teacher's friendly face. Instead, you can imagine my shock when I realized the class connect had been taken over by an \_\_\_\_\_ Animal Number One from \_\_\_\_\_ Planet ! The space creature immediately snarled at us, "Take your books out of your \_\_\_\_\_ Kitchen Appliance and let's get started!" The laughter and \_\_\_\_\_ Emotion couldn't be contained! We immediately started guffawing \_\_\_\_\_ Adjective ending with ER than an \_\_\_\_\_ Animal Number Two at \_\_\_\_\_ Time of Day . The space \_\_\_\_\_ Animal Number One seemed to be unaffected by the peals of laughter. I decided to be brave and raise my \_\_\_\_\_ Body Part - appropriate . "Um, excuse me," I murmured, "what is the topic of today's session?" The space creature wrinkled his \_\_\_\_\_ Color brow, scrunched up his abnormally \_\_\_\_\_ Adjective nose, and bellowed, "Today we are learning about the history of \_\_\_\_\_ Noun on \_\_\_\_\_ Planet ." This was nowhere in my K12 materials. I had studied everything! I was even ahead of my lessons and had completed all of my CC's and study halls! "The fact is, I \_\_\_\_\_ Verb - Past Tense , I have no knowledge of that because it was not part of my assignment. The space creature looked \_\_\_\_\_ Adjective ending in ED , and quickly looked down at his sheet of \_\_\_\_\_ Noun . "I'm terribly \_\_\_\_\_ Emotion , but I seem to have entered the wrong room!" And just like that, he disappeared and was never seen again. My courageous act was applauded by all of the \_\_\_\_\_ Noun - Plural in class. When Mrs. Miller logged in, she heard of my bravery and was extremely proud of me.
