THE NEW WORLD

DAY 1 It was morning so I went to see the new world it look all torn up after the nuclear war I hide in the protection room so I would not die in the nuclear war. "Yep it looks all torn up"said _____Noun_____. I had hope ever one I know or knew would make it only 8 people I knew survived every one else die I like those people I had know them for 30 years straight know and know there gone all because of a nuclear war I felt sad felling if I were going to cry but I know people that died before them so I knew how to hold my sadness and keep me from crying. "Your right its has changed alright." Said Jon joined the serves when I was about hmm... maybe 16 years ago when I joined am 31 years old now and I joined the special marine group because I wanted to fight for are freedom so I hoped that we hold off are enemies for so long when I found out you can't always win forever. Back at are base we hope that we would have supplies that would last 2 years long but were runnig out of food and water so I _____Verb - Past Tense_____ we had to do the most dangers mission ever go to the new world."It all starts here..."
