Day In M2

Here in M2, things can get awfully Adjective. Sometimes we have Noun - Plural who get Adjective and Verb - Non 3rd Person Singular Present with each other. When this happens, our Adjective teacher Mr. Farren has to step in and help us Verb anything from our Adjective Adjective little issues, to our Adjective - Comparative more Adjective problems. But there are other times when we have free time, and we can do a lot of Noun things. We can go on the computers and play Noun - Plural, or we can play the Noun, sometimes we even get to do Noun on our sound booth. Although, we tend to think it Verb - 3rd Person Singular Present when we have to do some boring Noun work before we get free time. Our classwork can get Adverb difficult at times, but I guess it's not too bad, because we have Adjective help. That's a bit how Noun - Plural are here in M2, I guess you could say I have a Adjective time.
