A Day At M2

Here in M2, things can get _____ interesting. Sometimes we have students who get angry and argue with each other. When this happens, our cool teacher Mr. Farren has to step in and help us resolve anything from our small silly little issues, to our _____ more perilous problems. But there are other times when we have free time, and we can do a lot of fun things. We can go on the _____ and _____, or we can play the _____, sometimes we even get to do construction on our _____.

Although, we tend to think it sucks when we have to do some boring school work before we get free time. Our classwork can get slightly difficult at times, but I guess it's _____, because we have great help. That's a bit how things are here in M2, I guess you could say I have a fine time.
