A Day At M2

Here in M2, things can get interesting. Sometimes we have students who get angry and argue
with each other. When this happens, our cool teacher Mr. Farren has to step in and help us resolve anything from
our small silly little issues, to our Adjective - Comparative more perilous problems. But there are other times
when we have free time, and we can do a lot of fun things. We can go on the Noun-Plural and
Noun Noun - Plural, or we can play the Noun, sometimes we even get to do construction
on our Noun Noun Noun Noun Noun Noun Noun Noun
school work before we get free time. Our classwork can get slightly difficult at times, but I guess it's
Adverb Adjective, because we have great help. That's a bit how things are here
in M2, I guess you could say I have a fine time.
