A Day At m2

Here in M2, things can get Auto Auto. Sometimes we have students who get angry and argue with each other. When this happens, our cool teacher Mr. Farren has to step in and help us resolve anything from our small silly little issues, to our Auto more perilous problems. But there are other times when we have free time, and we Auto do a lot of fun Auto. We can go on the computers and play games, or we can play the guitar, Auto we even get to do construction on our sound booth. Although, we Auto to think it sucks when we have to do some boring school work before we get free time. Our classwork can get Auto Auto at times, but I guess it's not too bad, Auto we Auto help. That's a bit how things are here in M2, I guess you could say I have a Auto.
