# Kyle & Jessy

We have \_\_\_\_\_ together, \_\_\_\_\_ together, \_\_\_\_\_ together  
and today we \_\_\_\_\_ each other! For the past 8 years, Kyle and I have been  
together enjoying each day. We met when we were 15 at the Welland Curling club; we did not attend the same  
high school or live in the same town! After graduating high school, we moved to Hamilton where kyle became  
an Engineer and Jessy an Social Service Worker. An opportunity came knocking on Kyle's job front and a move  
to Fort McMurray was decided. On May 25th, Kyle waited in the dark, upstairs for Jessy after work. Jessy  
arrived at her house and was scared to death. After realizing that he was on one knee, Kyle proposed and Jessy  
said YES!. Following a year of change, today is a very special day, where Jessy becomes Mrs. Kyle Walsh.

Thanks for sharing our special day!
