Craig and Karyn

I first met Craig while he was Verb - Present ends in ING Noun. He looked like a Adjective Noun wearing his Adjective Noun. I thought his SPORTSMANSHIP was REASONABLE but his TECHNIQUE was UNORTHODOX. As I've gotten to know him better I've grown to APPRECIATE his MANY interests and TALENTS. Sometimes I really wish he wouldn't be so ARROGANT but as long as he keeps MOWING THE LAWN I guess we can put up with him.

Karyn was TAKING PICTURES when I first met her. Her CUTE SMILE and CARING personality eventually APPEARED and I knew I'd met someone who I'd like to hang out with for YEARS. She is an TRAINED veterinarian but stopped practicing because she found it to be a bit STRESSFUL and she chose to focus on RAISING her WONDERFUL children. In addition to being SMART, Karyn is a very TALENTED artist in MULTIPLE mediums. Some of her favorite crafts are FUSED GLASS, STEREO PHOTOGRAPHY, and CROCHETING BLANKETS.
