# Scary Stories

When you go camping it's always fun to chop up some Noun - Plural and use them to build a Noun then you get all of the Noun - Plural to sit Preposition or subordinating conjunction the fire and tell scary stories. You can tell about the headless Noun or the about the vampire that ate the living Noun. There are also many stories about the Noun zombies that rule country. My Adjective favorite story to tell is the one about the Adjective Noun. My favorite tale is the one about Famous Person the maniac that took over the city of City. However, you must beware of telling these stories in front of young Noun - Plural, because they might run away and hide under their Noun. Nothing beats telling Noun - Plural while camping and it is my favorite thing to do.
