3. Prefix For Between
4. Prefix For Across

6th Grade Super Hero

Joe was just an ordinary 6th grader that hoped to be a _____ Prefix for above beyond hero someday. However, in a world filled with so many people, he felt _____ Prefix for tiny or small scopic. Then one day as his parents were driving to the neighboring state on the 5 lane _____ prefix for between state, something horrible happened. They were involved in a huge accident and they did not survive. when Joe heard the news he couldn't stop crying. He knew his parents were gone and he would have to move in with his grandparents. This wasn't so bad, but he would have to take a _____ prefix for across continental trip to the other side of the United States to get there. Once at his grandparents house, Joe warmed up some macaroni and cheese in their old micro wave. When he took the food out he noticed it was glowing. "What the heck, I'll eat it anyway," thought Joe. After the meal he felt really funny. He went to open the door to his room and he ripped it off the hinges!
