BBYO Mad Libs!

One Adjective Wednesday evening a group of Adjective BBGs were on their way to the Prosserman/SRC. They were Verb - Past Participle for this weeks Adjective program! They had been Verb - Present Tense this program for quite a while. They headed into the room and were Verb - Past Participle by a roomful of Adjective people. They hung out for a while until the program started. Their Noun - Plural were very Verb - Past Participle. The program was so Adjective! They made Noun, ate Noun, had Adjective seperates discussions and they had a Adjective dance party with the Adjective boys. They said Noun to their Adjective friends and went to the Adjective plaza to Verb. This was the Adjective - Superlative program ever!
